Data source: The WCB data, OHS Compliance data, OHS Partnerships data.

¹ Number of targeted companies under the Targeted Program includes only those visited. For 2009-2010 this number will grow as more companies are visited by officers.

² Partnerships visits are a follow-up tool used only for EIIPP inspections

³ The rate is calculated based on the calendar year not fiscal year.

⁴ The rate is calculated as an average of all employers in the target industries.

⁵ For visited employers as compared to the same employers' rates from previous year, a negative number indicates a reduction in the rate.

⁶ For the target industry as compared to previous year, a negative number indicates a reduction in the rate.

⁷ The WCB industry codes for industries in the program are: 06300, 06304, 06305, 06306, 09200, 09201, 09903, 09600, 09900, 09902, 09904, 09911, 09915, 09921, 09927 and 50720. In addition to these targeted industries who are identified by WCB industry codes, this program applies to employers and/or contractors who are conducting work in this targeted industry sector at the time of the WHS field inspection.

⁸ The WCB industry codes for industries in the program are: 02100, 40401, 40405, 42111, 42113, 42115, 42117, 42118, 42127, 42125, 42133, 42135, 42136, 42141, 42143, 42147, 42151 and 42139. In addition to these targeted industries who are identified by WCB industry codes, this program applies to employers and/or contractors who are conducting work in this targeted industry sector at the time of the WHS field inspection.
